**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic is the only company I have found effective customer service for and they were able to maintain functioning service during the devastating wildfires we had last year in our area. Losing the competitive market for internet service would seriously threaten sFety of people in emergencies as often some service is lost for one company but not another out of shear luck and the locations and types of service routes they use.
